STA STA Journal | Journal of Art and Design Studies

MANUSCRIPT TEMPLATE

e-ISSN 3108-7256 | 2026-STA-KB0046-EN | Revised: 5 November 2026

DOUBLE-BLIND REVIEW: Do not include author names, affiliations, ORCID, emails or identifying acknowledgments. Provide author details in a separate form.

Turkish Article Title (11 pt, bold, centred)

English Article Title (11 pt, bold, centred)

ÖZET (TURKISH ABSTRACT)

[200–250 words in Turkish, including aim, method, main findings and conclusion; one paragraph without citations.]

Anahtar Kelimeler (Turkish keywords): [3–5 terms]

ABSTRACT

[200–250 words: aim, method, principal findings and conclusion. One paragraph; do not include citations.]

Keywords: [3–5 terms]

JEL Codes: [3 codes where relevant to the discipline]

1. INTRODUCTION

[Research problem, aims, questions, scope and limitations.]

2. THEORETICAL FRAMEWORK AND LITERATURE

[Key concepts, primary sources, critical literature and identified research gap.]

3. METHODS

[Research design, data collection, sample, validity/reliability and ethics approval.]

4. FINDINGS / PRACTICE / ANALYSIS

[Evidence-based findings, referenced tables and figures.]

5. DISCUSSION

[Interpret findings in relation to research literature and limitations.]

6. CONCLUSION

[Original contribution, limitations and future research directions.]

REFERENCES

[APA 7 references corresponding exactly to in-text citations.]

IMAGE REFERENCES

[Full source details and figure number for each reproduced image.]

TABLES AND FIGURES

Table title (above, 9 pt italic): Table 1. [Title]

Variable	Value
