AUTHOR RESPONSIBILITY AND VERIFICATION

☐ All AI-generated or AI-assisted content has been checked by the authors for accuracy, sources and originality.

☐ No AI system is listed as an author; scholarly and ethical responsibility remains exclusively with the human authors.

☐ Third-party rights, personal data and confidentiality have been considered; the relevant disclosure has been included in the manuscript.

Note: Disclosure does not imply editorial acceptance or ethical approval. The extent of use and scientific accuracy remain subject to editorial review.
